**EXECUTIVE SUMMARY**

**ALL COUNTY INFORMATION NOTICE NO. I-67-22**

The purpose of this All-County Information Notice is to remind County Welfare Departments of the Temporary Assistance for Needy Families (TANF) 60-month time limit exemption due to the issuance of a Zero Basic Grant or CalWORKs Homeless Assistance. This letter also provides instructions for the Welfare Data Tracking Implementation Project to implement revisions for Zero Basic Grants and CalWORKs Homeless Assistance TANF time limit exemptions in the Tracking Recipients Across California database.

[20](#)

The purpose of this All County Information Notice (ACIN) is to remind County Welfare Departments (CWDs) of the Temporary Assistance for Needy Families (TANF) 60-month time limit exemption due to the issuance of a Zero Basic Grant (ZBG) or CalWORKs Homeless Assistance (HA). This letter also provides instructions for the Welfare Data Tracking Implementation Project (WDTIP) to implement revisions for the ZBG and HA TANF time limit exemptions in the Tracking Recipients Across California (TRAC) database. Policy guidance regarding these TANF revisions were included in [ACL 19-112](#), [ACL 20-113](#), and [ACIN I-53-20](#).

**BACKGROUND**

The TANF and CalWORKs programs each impose separate 60-month time limits on the receipt of aid and/or assistance for the parent or caretaker of an aided child. Each clock is tracked separately, and the calculations may differ depending on the type of

assistance or services received by a family, or whether an individual meets a condition exempting them from the time clock. The TANF 60-month time limit applies to any months in which “assistance,” as defined by 45 Code of Federal Regulations (CFR) Section 260.31, is received.

When tracking the TANF clock, the following items are defined as “assistance” and therefore count towards the 60-month TANF time limit: cash, payments, vouchers, and other forms of benefits designed to meet a family’s ongoing basic needs. Additionally, supportive services, such as transportation payments, count towards the TANF 60-month limit when the family is *not* employed.

Any month of receipt of only non-assistance benefits do not count towards the 60-month TANF time limit (45 CFR Section 260.31(b)). Non-assistance includes non-recurring, short-term benefits and supportive services such as child care and transportation when provided to families who are employed.

### **ZERO BASIC GRANT (ZBG): TREATMENT IN TANF VERSUS CALWORKS**

Per [MPP Section 44-315.5](#), aid payments are not issued when the grant is under \$10. These cases are known as Zero Basic Grants (ZBGs). ZBG cases may still be eligible for other CalWORKs benefits, such as supportive services and special needs payments.

Per [MPP Section 44-315.8](#), ZBGs include the following:

- **Penalty:** A payment not issued due to a penalty which reduced the payment to zero.
- **Grant Under \$10:** The grant amount is less than \$10.
- **Overpayment:** The grant for the assistance unit (AU) is reduced to zero to adjust for a prior overpayment.
- **Wage Subsidy:** The grant based on On-The-Job Training is diverted to the employer as a wage subsidy to offset the participant's wages.

### **TANF**

Under TANF, all ZBGs generally do not count towards the TANF time limit since nothing is received that meets the TANF definition of assistance. However, if the family receives supportive services while unemployed in a given month, a case which receives a ZBG may count towards the TANF time limit.

### **CalWORKs**

Under CalWORKs, only “Grant Under \$10” ZBGs are exempt from the CalWORKs time limit per [MPP Section 42-302.21\(k\)](#). Per [MPP Section 44-315.38](#), a grant is considered a “Grant Under \$10” only when the “actual grant amount” is under \$10 and does not include any adjustments due to child support non-cooperation penalties or prior overpayment recoupments. Apart from the “Grant Under \$10” ZBG, all other ZBGs count towards the CalWORKs time limit. CWDs should inform the AU that their ZBG

months may count towards the CalWORKs 60-month limit, so the recipient can determine whether they want to use their time-limited benefits.

Included in Attachment A are case examples reflecting ZBG scenarios and how they impact the TANF and CalWORKs time limits. The following table further distinguishes how a ZBG impacts the TANF and CalWORKs time limits.

<b>The AU received a ZBG and...</b>	<b>Does month of assistance count towards the TANF time limit?</b>	<b>Does month of aid count towards the CalWORKs time limit?</b>
... did not receive supportive services.	No	Yes, unless eligible to the "Grant Under \$10" or other CalWORKs exemption
... did receive supportive services (family employed).	No	Yes, unless eligible to the "Grant Under \$10" or other CalWORKs exemption
... did receive supportive services (family unemployed).	Yes, because the family received supportive services while unemployed.	Yes, unless eligible to the "Grant Under \$10" or other CalWORKs exemption

### **CalWORKs Homeless Assistance (HA): Treatment in TANF versus CalWORKs**

HA includes Temporary Homeless Assistance (THA), Permanent Homeless Assistance (PHA), HA exceptions, and Expanded HA for Victims of Domestic Abuse.

#### **TANF**

TANF regulations exclude nonrecurring, short-term benefits from being defined as assistance and therefore, these benefits do not count towards the TANF time limit. Non-recurring, short-term benefits are benefits that:

- Are designed to deal with a specific crisis or episode of need;
- Are not intended to meet recurrent ongoing needs; and
- Will not extend beyond four months.

Currently all HA benefits meet the definition of a non-recurring, short-term benefit, and therefore do not count towards the TANF time limit.

#### **CalWORKs**

Under CalWORKs, HA is a type of nonrecurring special needs payment. All special needs payments are considered aid and, therefore, all months that an AU receives HA count towards the CalWORKs 60-month time limit per [MPP Section 44-315.45](#).

Included in Attachment A are case examples with HA scenarios and how they impact the TANF and CalWORKs time limits.

### **Automation**

Attached to this letter are the WDTIP TRAC Codes. The WDTIP anticipates that these revisions to the ZBG and HA TANF exemptions will be automated in TRAC by the end of 2022. Automation in the Statewide Automated Welfare System (SAWS) is expected in FY 2023-24—after the migration of all CalWIN counties to the CalSAWS system.

Until automation is complete, when an out-of-state request for verification of TANF is received, CWDs must confirm that the TANF time limit reflects all months of assistance and TANF exemptions received in California. This includes verifying and manually applying exemptions to the TANF time limit due to ZBGs or HA when necessary. Form [CW 2188 Verification of Aid for TANF Program](#) should be used to verify TANF aid with an out-of-state TANF agency. Lastly, pursuant to [MPP Section 40-107\(a\)\(5\)\(A\)](#), notice of action, [M40-107D Time on Aid to Former CalWORKs Recipients](#), must be mailed out to the former CalWORKs recipient when the CWD sends time-on-aid information to another state agency.

If you have any questions or need additional guidance, contact the Early Engagement & Eligibility Bureau at [CWEligibilityPolicy@dss.ca.gov](mailto:CWEligibilityPolicy@dss.ca.gov).

Sincerely,

**TANF and CalWORKs Time Limit Examples: Zero Basic Grant and Homeless Assistance**

**Example 1— Grant Less than \$10, Receiving Supportive Services and Employed:**

As of May 2022, an individual received CalWORKs for 28 countable and cumulative CalWORKs and TANF months and continues to maintain eligibility. From June 2022 to September 2022, the AU received a \$0 grant due to income exceeding MAP but under the Tier 2 Income Reporting Threshold (IRT). As a result, the individual was eligible for the “Grant Under \$10” CalWORKs time limit exemption. The individual was also employed and receiving supportive services from June 2022 to September 2022. In September 2022, their time on aid is:

	5/22	6/22	7/22	8/22	9/22
TANF Months (*)	28	28 Exempt	28 Exempt	28 Exempt	28 Exempt
CalWORKs Months (**)	28	28 Exempt	28 Exempt	28 Exempt	28 Exempt

(\*) The individual is exempt from the TANF time limit from 6/22 to 9/22 because (1) they received a \$0 grant and (2) the family only received supportive services while employed.

(\*\*) The individual is exempt from the CalWORKs time limit from 6/22 to 9/22 because (1) they received a \$0 grant due to income exceeding MAP but under Tier 2 IRT, which is eligible for the “Grant Under \$10” time limit exemption.

**Example 2— Grant Less than \$10, Receiving Supportive Services and Unemployed:**

As of May 2022, an individual received CalWORKs for 28 countable and cumulative CalWORKs and TANF months and continues to maintain eligibility. In June 2022, the individual reported via their SAR 7 report that they were receiving unemployment income. Due to the unemployment income, from July 2022 to September 2022, the AU received a \$0 grant due to income exceeding MAP but under Tier 2 IRT. As a result, the individual was eligible for the “Grant Under \$10” CalWORKs time limit exemption. The family was also receiving supportive services from July 2022 to September 2022 and was unemployed. In September 2022, their time on aid is:

	5/22	6/22	7/22	8/22	9/22
TANF Months (*)	28	29	30	31	32
CalWORKs Months (**)	28	29	29 Exempt	29 Exempt	29 Exempt

(\*) Although the AU received a \$0 grant from 7/22 to 9/22, the individual is not exempt from the TANF time limit because (1) the family received supportive services while unemployed.

(\*\*) The individual is exempt from the CalWORKs time limit from 7/22 to 9/22 because (1) the AU received a \$0 grant due to income exceeding MAP but under the Tier 2 IRT, which is eligible for the “Grant Under \$10” time limit exemption.

### **Example 3— Zero Basic Grant, Receiving Supportive Services and Employed:**

As of May 2022, an individual received CalWORKs for 28 countable and cumulative CalWORKs and TANF months and continues to maintain eligibility. The CWD determined that there was a prior overpayment. The CWD began recouping the overpayment starting with July’s grant and as a result the AU received a Zero Basic Grant from July 2022 to September 2022. The individual was receiving supportive services and was employed. In September 2022, their time on aid is:

	5/22	6/22	7/22	8/22	9/22
TANF Months (*)	28	29	29 Exempt	29 Exempt	29 Exempt
CalWORKs Months (**)	28	29	30	31	32

(\*) The individual is exempt from the TANF time limit from 7/22 to 9/22 because (1) the AU received a ZBG and (2) the family received supportive services while employed.

(\*\*) The individual was not exempt from the CalWORKs time limit because (1) the ZBG was a result of a prior overpayment, which does not qualify for the “Grant Under \$10” time limit exemption.

**Example 4— Zero Basic Grant, Receiving Supportive Services and Unemployed:**

As of May 2022, an individual received CalWORKs for 28 countable and cumulative CalWORKs and TANF months and continues to maintain eligibility. CWD determined that there was a prior overpayment. The CWD began recouping the overpayment starting with July's grant and as a result the individual received a ZBG from July 2022 to September 2022. The individual is receiving supportive services and is unemployed. In September 2022, their time on aid is:

	5/22	6/22	7/22	8/22	9/22
TANF Months (*)	28	29	30	31	32
CalWORKs Months (**)	28	29	30	31	32

(\*) Although the AU received a ZBG, the individual is not exempt from the TANF time limit because (1) the family received supportive services while unemployed.

(\*\*) The individual is not exempt from the CalWORKs time limit because (1) the ZBG was a result of a prior overpayment, which does not qualify for the "Grant Under \$10" time limit exemption.

**Example 5— Grant Less than \$10 and Homeless Assistance**

As of May 2022, an individual received CalWORKs for 28 countable and cumulative CalWORKs and TANF months and continues to maintain eligibility. From June to September 2022, the AU received a \$0 grant due to income exceeding MAP but under Tier 2 IRT. In August 2022, the individual applies for and receives Permanent Homeless Assistance (PHA) benefits for 2 months' worth of back rent to prevent an eviction. In this scenario, only the individual's CalWORKs clock advances in August since the PHA payment meets the federal definition of a non-recurring short-term benefit and does not count towards the TANF time limit. In September 2022, their time on aid is:

	<b>5/22</b>	<b>6/22</b>	<b>7/22</b>	<b>8/22</b>	<b>9/22</b>
TANF Months (*)	28	28 Exempt	28 Exempt	28 Exempt	28 Exempt
CalWORKs Months (**)	28	28 Exempt	28 Exempt	29	29 Exempt

(\*) The individual is exempt from the TANF time limit because (1) the AU received a \$0 grant from 6/22 – 9/22 and (2) the homeless assistance received is considered a nonrecurring short-term benefit and does not count towards the TANF time limit.

(\*\*) The individual is exempt from the CalWORKs time limit because (1) they received a \$0 grant due to income exceeding MAP but under the Tier 2 IRT, which is eligible for the “Grant Under \$10” time limit exemption. The individual was not exempt on 8/22 because (1) they received PHA benefits. PHA benefits are considered nonrecurring special needs payments. All special needs payments count towards the CalWORKs 60-month time limit.
